girls undergoing FGM?

WHO WILL END AGONY OF

Feature

The image contains a page of text that appears to be discussing the issue of girls undergoing female genital mutilation (FGM). The text is not fully legible, but it seems to be part of a feature article or report. The page includes some photographs or images, possibly related to the topic. The text is in English and seems to be addressing the problem of FGM and who is responsible for ending the practice.
